PROFESSIONAL BACKGROUND

As an Advisor in the Easton, MD based Chesapeake Office of SVN Miller Commercial Real Estate, John specializes in the region's two primary asset classes - industrial / flex and natural resource investment properties, including large agricultural and timber tracts. His focus is the Upper Eastern Shore, but his experience runs the length of the Delmarva Peninsula.

With this product and geographic expertise, John's sale and leasing clients benefit from his strong transactional base, his use of the latest technologies, and his representation skills. He is particularly trusted and relied upon in the strategic planning and site selection processes. He serves the interests of a wide client base in manufacturing and production, distribution and warehousing, natural resources and farming.

John is an Eastern Shore Native, a graduate of Washington College in Chestertown, MD, and a long-time resident of the Queenstown community. He serves on the Boards of Chesapeake College Foundation and White Stone Oyster Company. With hobbies including waterfowl hunting, squash, sailing, and farming, John is an active member of Ducks Unlimited, Corsica River Yacht Club, the Maryland Club in Baltimore, and is the Managing Director of Brown's Branch Farms, LLC.

PROFESSIONAL BACKGROUND

Robert H. (Bob) Greenlee owns and serves as Managing Director and Senior Advisor for the Chesapeake office of SVN | Miller Commercial Real Estate. For 35+ years, with involvement in over 1,500 projects valued in excess of \$10 billion, Bob has been a recognized leader on the East Coast for sustainable investment real estate. He is an important strategic partner to his clients, helping them maximize value and wealth. He blends transactional and analytical expertise to drive transformative, value-add results.

As the National Chair of ESG, Sustainable and Impact Investing for SVN International Corp., Greenlee specializes in:

- The economics of sustainable and impact investment real estate
- Sustainability as a Service
- Carbon monetization and asset management
- ESG improvement and impact management
- National brokerage of ESG assets through and with SVN's 220 offices
- Purpose-driven scoring and educational innovations on a Big Data platform
- Resiliency and future proofing real estate for the insurance and mortgage lending industries

These areas of specialization are also deployed through two other national companies that Bob owns and leads: The E³SG Companies and ESG IMPACTS, through his role as the national ESG “fixer” on the Innovation Domain team, as well as through his leadership positions in the ROAR Partnership / Future Proofing America and the Washington DC chapter of Contractors, Closers and Connections [CCC]. In addition, he has volunteered these and related services to the local and regional communities for many years – with a particular focus on economic development, conservation, and comprehensive planning.

Bob has an undergraduate degree in Finance from the University of South Carolina and a master's degree in Economics earned at Loyola University of Maryland. He stays current on industry trends and best practices through continuing education as a licensed real estate salesperson and a Certified General Appraiser in the state of Maryland, also as a Practicing Affiliate member of the Appraisal Institute. He is frequently invited to lecture about the economics of ESG and sustainability and is an active contributor to the US Green Building Council and the Urban Land Institute.
