PROPERTY OVERVIEW

The brand new North Port Village Office Park is under construction on one of the busiest corridors in North Port. The office park is expected to have six 6,000 SF buildings with frontage on Toledo Blade Boulevard, less than a mile from Exit 179 of I-75.

There are a multitude of possible configurations with units ranging in size from 1,500 to 6,000 SF. The units will be delivered as "finished" professional office space using a tenant improvement allowance of \$55 PSF. A higher allowance would be considered for medical office finish resulting in a higher lease rate. You will have a clean-slate to build out your own professional or medical office!

The City of North Port continues to be one of the fastest growing in the region with 3.3% population growth annually. The city has positioned itself as an inexpensive alternative to higher priced Sarasota and Venice. The North Port area has great access to those communities to the north, as well as Port Charlotte & Punta Gorda to the south, and the new massive West Villages master planned community which is the new spring training home for the Atlanta Braves.
