LAND SURVEYOR'S CERTIFICATE

I hereby certify that this plat and survey were made under my supervision and that the angular and linear measurements as witnessed by monuments shown hereon are true and correct to the best of my knowledge and belief. This survey was made by the method of random traverse and the resultant closure was 1 ft. in 15,000 ft. The bearings and distances shown hereon have been adjusted for closure. This survey and plat meet or exceeds the minimum standards of governing authorities.
