LOCATION OVERVIEW

Located in between both Wilsonville Exits on I-5. The building is in the middle of Wilsonville's Tech Corridor. Nearby businesses include Siemens, Twiss biologicals, Rockwell Collins, Xerox, and DW Fritz/Sandvik.

Tualatin is the Portland Metro area's largest industrial/commercial submarket. It has become a "mature" market with little to no available land for new development. It has exploded in the last two years with businesses fleeing Multnomah County and the City of Portland. Tualatin is part of the South I-5 corridor market. Its neighboring cities are the economic engine of Washington County, the fastest-growing county in the state and the second largest in terms of employment. Major employers in the county include Intel, Columbia Sportswear, Nike, and Lam Research.
