PROPERTY OVERVIEW

Interstate adjacent land ready for development. Located in Hanson, Kentucky along I-69 at Exit 49. This exit is the home to a Walmart Supercenter constructed in 2016, an Ideal Market (c-store) added in 2018, and a Loves Travel Center (2018).

Located at the west side of this intersection is a large Carhartt distribution facility and the Kentucky Department of Veterans Affairs which operates a 156-bed nursing facility and assisted living facility.

I-69 connects Indianapolis and Nashville in central Kentucky, this site would be a good location for a junior box, strip center, restaurant, or hospitality. This property is ideally positioned to be a regional draw serving west-central Kentucky.
