PROFESSIONAL BACKGROUND

After graduating from Florida Southern College in Lakeland, FL, Erin became a licensed real estate agent in 2002. She promptly purchased her first investment property and started working for Crosby & Associates, Inc. For seven years she gained experience in commercial sales and leasing, market research, land development and financial analysis under the mentorship of Benjamin Crosby. Here she learned the importance of market timing, trends and independent research and analysis. She built a personal portfolio of investment properties that included residential and commercial renovations. These projects honed her skills in landlord-tenant negotiations and property management. She furthered her education at the CCIM Institute and in 2008 obtained the prestigious CCIM Designation.

After a leave of absence to start her family, she returned to Crosby & Association in 2018 with extensive commercial property management experience and a passion for community redevelopment in Polk County, FL. She specializes in Land Development as well as Brick-and-Mortar Commercial Properties in Central Florida. Erin resides in Winter Haven with her husband of 20 years and two daughters.
