3. Gravity main extension required, please contact ciacbuilder@tohowater.com
4. 10" SS west of parcel approx. 420' on the northeast end of Halibut Rd and Laurel Ave.

FOR YOUR INFORMATION – A hydraulic analysis may be required to determine capacity. A firm commitment for utility service will be provided based on meeting Toho's requirements for service including but not limited to:

- Compliance with Toho's design and construction standards and specifications
- Payment of all applicable fees and System Development Charges; *If you have any questions or would like to speak with someone regarding potential fees or System Development Charges, please contact meterfees@tohowater.com or 407-944-5000 and they will be happy to assist*
- Execution of a Developer's Service Agreement where applicable
- Service to the site is the customer's responsibility and may require offsite utility improvements performed by a private contractor hired by the customers at the customer's expense.

Please understand that this is not a commitment from Toho to provide utility service to the property. It is information as to the location of the nearest utilities to the property.
