<sup>7.</sup> Street Vehicular Access Restrictions: Properties in the C-2 zoning district shall be located on a major collector or arterial street, but may have additional vehicular access to any type of street. However, in order to protect residential areas and neighborhoods from non-residential traffic, vehicular access to a local street is prohibited if one of the following zoning districts is located on the other side of the local street: RA, R-1, R-2, R-3, R-4, R-5, MH, and RP.

#### **GENERAL NOTES:**

- 1. If central sanitary sewer is not available, residential development is limited to a minimum of 0.50 acre lots and inside the Urban Services Area non-residential development is limited to a maximum of 2,500 square feet of building area. Inside the Urban Services Area, community service facilities are limited to a maximum of 5,000 square feet of building area or a 500-gallon septic tank. Also, refer to Sanitary Sewer Policy 2.1.12 of the Comprehensive Plan for additional requirements.
- 2. Refer to the Environmental Management Act (EMA) for information pertaining to the regulation of environmental features (preservation/conservation features), stormwater management requirements, etc.
- 3. Refer to the Concurrency Management Ordinance for information pertaining to the availability of capacity for certain public facilities (roads, parks, etc.).
