

We provide standardized commissions to all of our clients.

Never more, never less, always fair.

Our no-haggle commission structure achieves these essential goals:

1. Ensures proper incentive throughout the listing life cycle.
2. Protects the broker-client relationship.
3. Simplifies the broker selection process.

Property Listing Price	Commission
\$2M or less	6%
\$2M - \$5M	5%
\$5M+	4%

“Getting the absolute highest price the market will pay requires equal parts sophistication and hustle.”
