Professional Background

Being the 3rd generation raised in Central Florida, Tommy has seen it change from a largely agricultural economy to a dynamic growth center for all types of Ag, Residential, Commercial, and Industrial enterprises. His upbringing and career, in many ways, mirror the changes in the area. Tommy's parents and grandparents were citrus growers, row crop farmers, produce brokers, and cattle ranchers here. He lived the farming and ranching way of life at a time when Polk County was a much more rural area.

Upon graduating from the University of Florida College of Business, his grandfather urged him to find a vocation other than farming. That led him into the construction field in production, sales, sales management, and corporate acquisitions for a Southeastern U.S. aggregates company. During his employment there, he gained specialized expertise with Federal, State, County, and municipal governments in areas of land use, entitlements, and permitting, as well as aggregate reserves assessment and acquisition.

Whether you are looking to purchase or sell farmland, a livestock ranch, aggregates mine, or development land, Tommy's knowledge and experience assist in helping you achieve your goals.
