WHY CENTRAL FLORIDA?

Get to know Florida's newest hot spot for business. There's a reason why Publix Super Markets, Legoland Florida Resorts and Florida's Natural all call Polk County home. Ideally located between two major metro areas, Central Florida boasts a fertile business environment that offers a potent blend of connectivity, workforce talent and low operating costs.

TRANSPORTATION INFRASTRUCTURE

Our strategic location positions you at the center of the state and at the mouth of the global marketplace. In addition to a comprehensive network of road and rail, Central Florida has two international airports within 40 miles and access to five deepwater seaports, making the region a smart choice for any business. International companies and those with a focus on global trade will appreciate our close proximity to seaports, including the second largest Foreign Trade Zone network in the country. Winter Haven's recently-opened CSX Intermodal center, which handles more than 300,000 shipping containers each year. Whether you're looking for easy access to global markets or a strategic centralized location that keeps transportation costs down, Polk County's infrastructure will give you the competitive edge you need to stay ahead of the rest.

WORKFORCE

Our 3.5 million-strong talent pool is supported by world-class educational institutions like Florida Polytechnic University and the Polk State Clear Springs Advanced Technology Center. Add to that attractive incentive packages, business-friendly legislation, no personal income tax and one of the best business climates in the country.

PROFESSIONAL BACKGROUND

Alex Delannoy was born and raised in Toulouse, France, with a strong drive and burning desire to discover new experiences and knowledge. His travels through Europe and throughout the world have created a great passion for the diversity and culture he experienced.

Alex became a professional paintball player and came to the United States in 2010 when he joined one of the top teams in the league in the Tampa, FL area. After spending a few years with the team, his entrepreneurial spirit drove him to start his own business in Winter Haven, FL called Action Paintball & Laser Tag. The facility included a retail pro-shop, more than 30 trained employees, room for five different onsite activities, and became a thriving business with more than 35,000 players over the years. The business was purchased by an investor in early 2017.

He joined The Ruthvens in 2022 and leads the charge on our brokerage properties and services. He made a successful name for himself as a senior advisor at KW Commercial, where he built a book of commercial real estate business and managed brokerage assets in the Central Florida area for five years.
