PROPERTY OVERVIEW

We are excited to announce the availability of a 20,300+/- SF space for lease in a strip center plaza with Big Lots as the anchor tenant. This property, formerly used as office space, can easily be converted into office, retail, or warehouse space. The location of the property at the end of the plaza provides accessibility from the rear, side, and front of the building. There is a protruding canopy over the front door access, which adds to the visual appeal of the property. As you enter the property, there is a vestibule with storage and restrooms for any customers or employees. This opens up into a massive 13,000+/- square-foot open area suitable for any business. Along the exterior perimeters of the space, there is a combination of private offices, a conference room, a storage room, bathrooms, and a large break room. The ceiling height to the drop-down grid is 10' 8" and 16' to the roof joist. Potential to have docks or overhead doors installed on the side of the building. The property is beautifully maintained and available immediately. Don't miss out on this opportunity to lease a prime location with endless possibilities.
