

Residential/Professional (R/P).

1.

Purpose. The purpose of the Residential/Professional (RP) district is to provide for transitional uses that serve as a buffer between single-family residential neighbor

hoods and commercial uses, including single-family dwellings, duplexes and duplex subdivisions, townhouse subdivisions, and multifamily dwellings and complexes, as well as small-scale office development for business and professional services. It also accommodates limited group living, institutional, and open space uses, generally as special uses or public or semi-public uses.
