"The 4,300 acre Enterprise Charlotte Airport Park represents impressive global opportunity, not only in access but in large-scale site selection and flexibility: site options range from 1 acre to more than 1,000 acres with airside or non-airside access. Developed for high performance with superb water, power and telecommunications infrastructure, the Park enhances productivity with the cost-effective advantages of a designated Foreign Trade Zone while productivity is accelerated from start-up thanks to rapid permitting, shovel ready sites and new roadway improvements that enhance circulation. Anchored to the Punta Gorda Airport which recently earned top 100 airport status in the U.S. and serves over 1.6 million commercial passengers, the Airport Park is ideally situated for a multitude of businesses."
