PROPERTY DESCRIPTION

The subject property is ~65 acres of industrial land located in Benton County, boarding the limits of Corvallis, with Highway 99 frontage. Currently, the property is being farmed and is farm deferral, but has the opportunity to be annexed into the City of Corvallis with the General Industrial (GI) Zoning Designation. This is a great opportunity for a farmer to get their hands on a large site and continue to farm, or an industrial user who needs land for development.

PROPERTY HIGHLIGHTS

- Flat Topography
- Historical farm use, which can be continued
- Upside in value with favorable zoning if annexed, and is in the path of growth, as the City of Corvallis continues to expand south
- Easy access up and down Highway 99 and only minutes from downtown Corvallis
