The subject property won the 2023 Inovated Development Award and offers an innovative solution to one of metro Atlanta’s most pressing challenges – affordable housing. The development team was able to keep rents low by converting the building’s 20 vacant units into 40 micro apartments, 10 of which were reserved for people experiencing homelessness.

CoStar Community Impact Award - “Best New Multifamily Development in Atlanta”

CoStar’s Impact Awards highlight the commercial real estate transactions and projects that have transformed their markets over the past year. The project’s reconfiguration makes it part of the national conversation about ways to build financially feasible affordable housing projects. There’s a shortage of this type of housing in cities across the country because it can be difficult for developers to turn a profit if rents are low, and the profit they achieve is often far lower than in high-end projects
