PROPERTY OVERVIEW

7.56-acre cottage development site located on S.W. Archer Road, near the University of Florida and major attractions such as Celebration Pointe and Butler Plaza, among others. The future land use designation for the property is Low-Density Residential (LDR), which permits a wide variety of residential uses. This includes single-family detached and attached unit types. Moreover, cottage neighborhoods and traditional neighborhood developments are also permitted.

PROPERTY HIGHLIGHTS

- Utilities are available to serve the site for urban development and is within the Gainesville Regional Utilities (GRU) service area for potable water, wastewater, and electricity.
- Located in a residential area, the property's small size makes a mixed-use development less ideal. Developing it into a dense, residential cottage neighborhood—popular in Alachua County and capable of double the density of standard subdivisions (8 units per acre vs. 4)—emerges as the most viable and strategic use.
