# Maximize the value of your property

#### **ABOUT SVN**

The SVN® brand was founded in 1987 out of a desire to improve the commercial real estate industry for all stakeholders through cooperation and organized competition.

The SVN organization is comprised of over 2,000 Advisors and staff in over 200 offices across the globe. Expanded geographic coverage and amplified outreach to traditional, cross-market and emerging owners and tenants is how we differentiate ourselves from the competition. Our proactive promotion of properties and fee sharing with the entire commercial real estate industry is our way of putting clients' needs first. This is our unique Shared Value Network® and just one of the many ways that SVN Advisors create amazing value with our clients, colleagues, and communities.

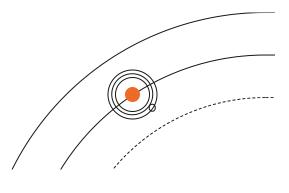

Our robust global platform, combined with the entrepreneurial drive of our business owners and their dedicated SVN Advisors, assures representation that creates maximum value for our clients.

This is the SVN Difference.

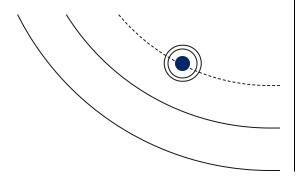

#### SVN® ADVISORS SHARE FEES BECAUSE IT CREATES MORE DEMAND AND SUPERIOR VALUE FOR OUR CLIENTS.

SVN® economists analyzed 15,000 records of sales between \$2.5 and \$20 million in the four core building types- industrial, multifamily, office and retail.\*

# The 9.6% report

A REPORT ON THE PRICING ADVANTAGE OF COOPERATION

# The Result?

The average price per square foot was higher in every asset class for transactions involving two separate brokerage firms. In aggregate, the average selling price was 9.6% higher with brokerage cooperation.

# Think About it.

When a broker says they know all the buyers for a property, do they really? With 65% of buyers coming from out of market, how could they?

250 years ago, Adam Smith wrote down the basic laws of supply and demand: The higher the demand for a product, the higher the sales price.

### It's common sense

Marketing a property to the widest possible audience increases the price for an owner. This is how SVN Advisors operate - we share fees and build trust, driving outsized success for our clients and our colleagues.
