IN THE AREA

1

DOG RIVER PARK

The Dog River Park is located in the southern part of the County off Georgia Highways 166 and 5. Douglas County recently acquired approximately 900 acres of land to protect the quality of its drinking water source (the Dog River) and to provide active and passive recreation for residents. A two-mile stretch of the Dog River will be protected by low-impact use. This land, the future site of the Dog River Park, is very pristine and plays host to many large sculpted rocks. The Dog River, a feeder into the Chattahoochee River, flows throughout the property. The natural beauty of this land will make an excellent passive recreational area.

SIX FLAGS OVER GEORGIA

Six Flags Over Georgia is a 290-acre theme park located west of Atlanta, Georgia, in unincorporated Cobb County. Opened in 1967, it is the second park in the Six Flags chain, after the original opening in 1961 in Texas. Six Flags over Georgia is also the largest amusement park in the City of Atlanta.
