TENANT OVERVIEW

DOLLAR GENERAL

Dollar General Corporation is the largest “small box” discount retailer in the U.S. by sales and number of locations. The Goodlettsville (Nashville), TN based chain operates 13,601 stores in 43 U.S. states. For fiscal 2017, Dollar General plans to open approximately 1,000 new stores.

Dollar General offers over 10,000 items of name brand and generic merchandise. Their goal is to provide quality brands at low prices. The majority of products are below \$10 with approximately 25% of them below \$1. They offer a range of everyday convenience, food, gift, household, clothing and other items that offer consumers an easier and more accessible shopping solution in towns, large and small with the average customer in-store trip of less than 10 minutes!

Dollar General often serves communities that are too small for larger discount retailers. Approximately 70% of their stores serve communities of 20,000 or less population. They compete in the discount dollar store arena with national chains such as Family Dollar, Dollar Tree, regional chains such as Fred’s in the southeast and numerous independent owned stores. They are generally part of the retail fabric of the communities they are in.

The company, founded in 1939, celebrated its 75th anniversary in 2014. In 1955, the first branded Dollar General opened in Springfield, KY. In 1968, Dollar General first went public. At the time, if an investor purchased 100 shares of Dollar General stock, it would be worth \$655,534 when the company went private in 2007! Through the next several years, Dollar General continued growth of more stand alone locations. In 2009, the company, again went public and is traded on the NYSE under the symbol DG. The company is proud of its BBB– Standard & Poors rating. In 2014, Dollar General attempted an unsuccessful takeover of sector rival, Family Dollar. As a result, they have re-directed efforts to continue their growth into new retail trade areas that meet their targeted profile demographics.

As of Jan 14, 2017, the consensus forecast amongst 31 polled investment analysts covering Dollar General Corp. advises that the company will outperform the market. Year on year Dollar General Corp. grew revenues 7.72% from \$18.91bn to \$20.37bn while net income improved 9.36% from \$1.07bn to \$1.17bn. Over the last three months and the previous one year, Dollar General’s shares have advanced 7.29% and 4.11%, respectively.
